Members of the COP 10 CBD Promotion Committee

To ensure the success of the 10th Conference of the Parties to the Convention on Biological Diversity (COP 10) scheduled for October 2010, the Aichi-Nagoya COP 10 CBD Promotion Committee ("COP 10 Promotion Committee") was established on September 2, 2008, under a new framework. The Committee is supporting arrangements for the conference, promoting conservation and sustainable use of biodiversity, and facilitating the development of a region in harmony with nature.
